ACADEMIC DETAILS

Guru Tegh Bahadur Institute of Technology
B.Tech (ECE)

(09/2020-06/2024)
CGPA: 8.7/10

Higher Secondary Certificate
Gyan Sagar Public School

(06/2020)
Perc: 70%

EXPERIENCE

Telica Telecom | Frontend Developer

(11/2024-12/2025)

- Build reusable UI components, improving maintainability and development efficiency.
- Converting UI/UX designs and wireframes into functional web applications.
- Implementing authentication, authorization, session management and improving page load time.
- Optimized application performance and ensured responsive, cross-browser compatibility.

Project: Client Onboarding Dashboard

React.js, JavaScript, Rest APIs, Git

- Developed a web-based onboarding platform for client integration and API configuration management.
- Implemented role-based access control and onboarding status tracking.
- Built dashboard analytics and integrated REST APIs for configuration management.

PROJECTS

Ai-Assistant (NextJs/ MongoDB/ Tailwind) (<https://ai-assistant-two-livid.vercel.app/>)

Developed an AI-powered assistant, enabling real-time conversational interactions through a responsive and intuitive UI. Implemented scalable backend architecture and efficient data handling, and showcasing practical AI integration skills.

Course App Website (Html / CSS / JS / ReactJs) (<https://course-app-sand.vercel.app/>)

Designed an interactive platform for users to explore programming languages, structured into chapters for better learning. Focused on delivering a simple and user-friendly interface.

SipSip (Html / CSS / ReactJs / NextJs / MongoDB) (<https://sipsip-seven.vercel.app/>)

Created a payment web application supporting transactions via cards and UPI. Integrated user authentication and utilized MongoDB for secure data management.

TECHNICAL SKILLS

- **Languages:** Html, CSS, JavaScript, Mongo DB, TailwindCSS, SQL, Python
- **Frameworks:** NextJs, ReactJs, Bootstrap
- **Tools:** VS Code, Postman

NON-TECH SKILLS

- **SAP scm:**
Inventory | Vendor | Master Data| Material Management, Procurement & Purchasing, SAP Reporting
- MS- Excel, Project Management
